I am interested in applying for the job of homework checker. I feel that I am qualified for this job because I pay attention to detail and I will be sure to be very careful when checking off the homework to ensure there are no mistakes. I get to school on time, sometimes early, so I will have plenty of time in the morning to take care of my other responsibilities and still do this job. I am respectful and responsible and I would always keep students work confidential. I am also very neat and organized. I think I would make a great candidate for HW checker.

Please read and sign the agreement below:

I promise, that if hired for one of the above positions, I will do the job to the best of my ability. If I am not fulfilling the requirements of the job, I may be asked to resign.
